Objective

To secure a challenging opportunity where I can contribute my technical skills and continue enhancing my expertise in emerging technologies. I am committed to continuous learning and personal growth while delivering value to the organization.

Education

Master of Science (Information Technology) UWS Secured 80%	London, May 2023 – Sep 2024
Bachelor of Technology (ECE) KG Reddy College of Engineering & Technology Secured 67%	Hyderabad, Jun 2018 – Aug 2022
Intermediate (MPC) Sri Chaitanya Junior College Secured 80%	Eluru, Jul 2016 – Apr 2018

Skills

Programming Languages	: Java Full Stack (Java, Spring Boot, Hibernate), JavaScript, Python
Database Management	: Oracle SQL, MySQL
Testing	: Manual Testing
Tools	: Eclipse, IntelliJ IDEA, and Tableau
Soft Skills	: Problem-solving, Analytical Thinking, Communication, Team Collaboration

Projects

Banking Management System (KodNest)

December 2024

- Developed a banking application where users can create new accounts, log in, check balances, transfer amounts, and log out securely.
- Implemented user authentication to ensure secure transactions and account access.
- Built using Java and Hibernate for the backend, with Oracle SQL as the database management system.

Library Management System Using Core Java (KodNest)

November 2024

- Designed a console-based system to manage books and user records, implementing SDLC (Waterfall Model).
- Conducted manual testing to ensure system reliability and accuracy in operations.
- Used JDBC for database operations with Oracle SQL, leveraging collections for efficient data handling.

Enhancing Product Innovation Through Advanced Aspect-Based Sentiment Analysis (UWS)

August 2024

- Conducted advanced research on using Aspect-Based Sentiment Analysis (ABSA) for improving product innovation.
- Applied Natural Language Processing (NLP) methodologies to analyze customer reviews and derive actionable insights.
- Evaluated the ABSA methodology's performance and recommended its integration into product development strategies.

Certifications

- SQL Certification** – Intellipaat
- Python, Java & SQL Certification** – KodNest
- Google Data Analytics Certification** – Coursera
- President's Certificate for Organizing Special Camp (2022)** – JNTUH NSS

Accomplishments

- Database Design Mastery:** Achieved a perfect score of 100/100 in the Database Design module. (UWS)
- Dynamic Leadership in Social Service:** Led 50+ impactful events as President of the NSS Club (2020-2022), earning "Best Coordinator of the Year."
- Innovative Project Excellence:** Secured first prize for the "Home Automation" project in the PBA.
- Strategic Sports Leadership:** Led the college Kabaddi team to a second-place finish in competition.
